

# North Branch Sno\*Drifter News

## Club Meeting Notes

Hello Sno\*Drifters

Here we are in the middle of summer with fall just coming into view. With a little luck and snow, this just may be a great Snowmobile Season. To help keep the faith, our meetings at the groomer Shed have been well attended. There are a few minor Trail items we have discussed along with Grant and Aid Funding shortages which will certainly affect ours and Clubs across the state. We continue to Pay down our debts and watch expenses. At our Mid Summers Days Mtg we had a good turn out and seen many Club Members along the Parade Route in town. We represented both old and new on our float and managed to properly distribute all our candy.

### HayDays Raffle Ticket Sales:

Unfortunately we did not have the Tickets available at Mid Summers Days and that has certainly slowed getting the Tickets out to Members. This has proven to be an important Funding source for the Club. Please reach out to Deb Kelleher at 612-363-4570 to make arrangements to pick up tickets. She has worked hard to connect with members and we only have (1) Month left to sell them. Last year we raised over \$4,000 and we are tracking at less than half that so far this year. Every Ticket counts including ones you may want to purchase for yourself. This is really easy so please give Deb a call.

### HayDays Demo Track Staffing:

Signups for HayDays at began at the July meeting. Scott will continue again at the August Meeting. From there we will call those who have helped in the past. If you want to volunteer for a shift please call Scott at 612-212-9460 or Text him with your name so he can get back too you. We will have our Camp site again this year for relaxing and the Club provides Lunch and refreshments to all our Volunteers.

Passes and Info will be distributed at our Club mtg Sept 7<sup>th</sup> at the HayDays Site. We meet under the big tree by the Demo track. Just Drive in through the NE Gate by the SnoBarons Club House.

This is the last year of our 3-year contract. The Club receives a very generous Grant from the Snow Barons for our efforts. In addition, you get a 2 day VIP pass to the event along with some of the best comradery you could ever find.

As part of our responsibility's, we maintain the track site over summer. Thanks to Craig, Corey, Dudley, Steve, Jerry, Jim, Bob, Doug, Rod, and Big Tom for helping out on Thursday evenings! We also appreciate those of you that have mowed and Trimmed at the Groomer shed. We are all proud of our home and it's great to keep it looking good!

## Club Contact information:

<b>President:</b>	
Christy Tallman	(763) 218-8710
<b>Vice President:</b>	
Kevin Gustafson	(651) 328-1839
